

Derio, 11/V/2011

Congratulations to the winner of the Student Research Conference (SVK) 2011 in a Mathematic Section:

PERFORMANCE EVALUATION OF PRIORITY RULES IN JOB SCHEDULING WITH ABANDONMENTS

Vladimir NOVAK

Comenius University, Bratislava, Slovakia

won the Student Scientific Conference(SVK) at Comenius University, Bratislava, Slovakia for the work he did during his [BCAM Internship](#) at NET line research (from June 5 to August 18, 2010 and from February 19 to March 19, 2011).

We are glad and proud of your success!

See the diploma in the next page.
