

## Tijana RADIVOJEVIC has been nominated for the Extraordinary Doctoral Award

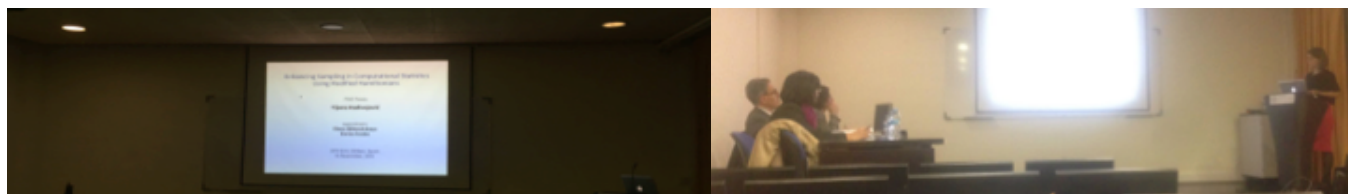

Tijana RADIVOJEVIC defended her doctoral thesis:

### *Enhancing Sampling in Computational Statistics Using Modified Hamiltonians*

on **November 18, 2016** at the Science and Technology Faculty of UPV/EHU Leioa, Basque Country, Spain

The Thesis Committee, composed of Prof. Jesús María SANZ-SERNA, Prof. Mari PAZ CALVO and Prof. Jose Antonio LOZANO, awarded the highest mark Summa Cum Laude to her doctoral dissertation. Moreover, **RADIVOJEVIC** has been nominated for the Extraordinary Doctoral Award by unanimous decision of the Thesis Committee.

Her doctoral thesis has been directed by [Elena AKHMATSKAYA](#), MSLMS Group Leader in BCAM and Ikerbasque Research Professor and [Enrico SCALAS](#), University of Sussex, UK, and BCAM External Scientific Member.

## Tijana RADIVOJEVIC ha sido nominada para el Premio Extraordinario de Doctorado

Tijana RADIVOJEVIC ha defendido su tesis doctoral:

### *Mejorando el muestreo en las estadísticas computacionales usando hamiltonianos modificados*

el **18 de noviembre de 2016** en la Facultad de Ciencia y Tecnología, UPV/EHU Leioa, País Vasco, Spain

El Comité de Tesis, compuesto por el Prof. Jesús María SANZ-SERNA, el Prof. Mari PAZ CALVO y el Prof. José Antonio LOZANO, otorgó a su tesis doctoral la calificación más alta Summa Cum Laude. Además, **RADIVOJEVIC** ha sido nominada para el Premio Extraordinario de Doctorado por decisión unánime del Comité de Tesis.

Su tesis de doctorado ha sido dirigida por [Elena AKHMATSKAYA](#), Lider del grupo de investigación MSLMS en BCAM e Ikerbasque Research Professor y [Enrico SCALAS](#), University of Sussex, UK, y BCAM External Scientific Member.
