Postdoctoral Fellowship in
Algebraic Geometry and Singularity Theory

Job Offer

Topics: Algebraic Geometry, Singularity Theory and its applications.

PI in charge: Javier Fernandez de Bobadilla

Salary and conditions: The gross annual salary of the Fellowship will be 28,000 - 32,000€. It will then be on your own responsibility to make your yearly income declaration at the Bizkaia Treasury Agency. There is a moving allowance for those researchers that come from a research institution outside the Basque Country from EUR 1,000 to EUR 2,000 gross.

Free access to the Public Health System in Spain is provided to all employees.

No Positions offered: #1

Contract and offer: 1-year contact, with possibility of yearly renovation depending on performance and interest for the research project.

Deadline: April 3rd 2017 15:00 CET (UTC+1)

How to apply: Applications must be submitted on-line at: http://www.bcamath.org/en/research/job/

Scientific Profile Requested

Requirements: • Promising research track.
• Applicants must have their PhD completed before the contract starts. PhD degree in Mathematics or Applied Mathematics.

Skills and track-record: • Strong background in Algebraic Geometry and/or Singularity Theory and its applications.
• Ability to effectively communicate and present research ideas.
• Ability to clearly present and publish research outcomes in spoken (talks) and written (papers) form.
• Good command of spoken and written English.
• Good communication skills.

Scientific Profile

In order to have an idea of the interests of the mathematician in charge, and the group working in
IC2016_Winter
BCAM
International Call

| | BCAM, please visit the web page
| | http://www.bcamath.org/en/research/lines/STAG
| | It will be appreciated an inclination for applications of Algebraic Geometry and candidates with a certain track record in the topic, besides a background in theoretical aspects are welcome to apply.

### Application and Selection Process

| Formal Requirements: | The selected candidate must have applied before the application deadline online at the webpage http://www.bcamath.org/en/research/job
| | The candidates that do not fulfil the mandatory requirements will not be evaluated with respect to their scientific profile.

| Application: | Required documents:
| | § CV
| | § Letter of interest
| | § 2 recommendation letters
| | § Statement of past and proposed future research (2-3 pages)

| Evaluation: | Based on the provided application documents of each candidate, the evaluation committee will evaluate qualitatively: The adaption of the previous training and career to the profile offered, the recommendation letters, the main results achieved (papers, proceedings, etc.), the statement of past and proposed future research and other merits; taking in account the alignment of these items to the topic offered.
| | The quality of the researcher will be the most determining factor in the process.

| Incorporation: | March 2018, but a certain modification of this can be discussed.
| | The BCAM postdoctoral contract will start when the selected candidate has finished the PhD, i.e. after dissertation defence.
