| How to apply: | Applications must be submitted on-line at: http://www.bcamath.org/en/research/job |

---

## Scientific Profile Requested

| Requirements: | • Promising young researchers.  
• Bachelor’s degree in Mathematics finished or near to be finished  
• Experience working with Matlab |

| Skills and track-record: | • Good interpersonal skills.  
• Ability to present and publish research outcomes in spoken (talks) and written (papers) form.  
• Ability to effectively communicate and present research ideas to researchers and stakeholders with different backgrounds. |
Scientific Profile: The preferred candidate will have:
- Strong background in mathematics/probability/statistics.
- Interest and disposition to work in interdisciplinary groups.

Application and Selection Process

Formal Requirements: The selected candidate must have applied before the application deadline online at the webpage http://www.bcamath.org/en/research/job

The candidates that do not fulfil the mandatory requirements will not be evaluated with respect to their scientific profile. Additional documents could be requested during the evaluation process so as to check this fulfilment.

Application: Required documents:
- CV
- Letter of interest
- 1 recommendation letter (desirable)

Evaluation: Based on the provided application documents of each candidate, the evaluation committee will evaluate qualitatively: the adaption of the previous training and career to the profile offered, and the recommendation letters, the main results achieved; taking in account the alignment of these items to the topic offered.

Incorporation: May 2022
