IC2017_Summer BCAM International Call

Evaluation:

Based on the provided application documents of each candidate, the evaluation committee will evaluate qualitatively: the adaption of the previous training and career to the profile offered, the recommendation letters, the main results achieved (papers, proceedings, etc.), the statement of past and proposed future research and other merits; taking in account the alignment of these items to the topic offered.

Incorporation:

October 2017 or as soon as possible thereafter.

The BCAM postdoctoral contract will start when the selected candidate has finished the PhD, i.e. after dissertation defense.
