

Terms and conditions of use

BCAM offers access to the website www.bcamath.org under the conditions of use described below:

Access and users

Access to the website www.bcamath.org gives the person the status of user, and expresses the full and unreserved acceptance by the user of each and every one of these TERMS OF USE, without prejudice to the specific conditions that must be applied in the event that the user wishes to hire any of the services offered. The provision of the Portal service is free of charge.

Modifications

BCAM, in order to improve the performance of the website, reserves the right to modify, extend or temporarily suspend the presentation, configuration, technical specifications, content and services of the website, at any time unilaterally and without prior notice to the user.

Likewise, it reserves the right to modify at any time the present conditions of use, as well as any other particular conditions contained in the website www.bcamath.org.

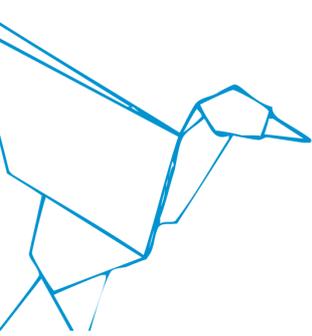

Contents

BCAM guarantees that all content and services offered on www.bcamath.org respect the principle of human dignity, the principle of non-discrimination on the basis of race, sex, religion, opinion, nationality, disability or any other personal or social circumstance, as well as the principle of protection of youth and children.

The user undertakes to make good use of the contents and services of www.bcamath.org, which may never be used for illegal activities or that may be contrary to public order, national defence or public health. Any use by the user of the contents and services must respect the principles indicated in the previous paragraph.

The user is expressly authorised to view all the information contained on the website, as well as to make private reproductions of the same on their computer systems, provided that the said contents are for their exclusive use and are not subsequently transferred to third parties.

Intellectual and industrial property

The intellectual and industrial property rights contained in the web pages of www.bcamath.org, its graphic design and computer codes, as well as the trade names, trademarks and distinctive signs are the property of BCAM, unless they indicate that they belong to another owner.

Any reproduction, distribution, commercialization or transformation of the contents that has not been expressly authorized by their owners, constitutes an infringement of the intellectual and industrial property rights protected by the Law.

BCAM will be able to exercise all the administrative, civil or penal actions that correspond to it in case of infringement of these rights on the part of the user.

Exclusion of guarantees and responsibilities

The access and use of the pages of www.bcamath.org will be made under the sole and exclusive responsibility of the user.

BCAM is not responsible for the accuracy, truthfulness and validity of the information that is not of its own creation and whose contents belong to third party information sources outside of it. In this respect, BCAM will only be responsible for its own services and content directly originated by it and identified with its Copyright as a trademark or intellectual or industrial property of BCAM.

BCAM does not guarantee or take responsibility for any damages of any kind that are due to the following circumstances:

1. The lack of continuity in the functioning of www.bcamath.org, as well as the incorrect functioning of the web pages.
2. The lack of usefulness, appropriateness or validity of the services and content offered on www.bcamath.org, with respect to the results and expectations of the user.
3. The existence of viruses or programs in the user's computer or the presence of viruses in the services provided by third parties through www.bcamath.org.
4. The knowledge that unauthorized third parties may have of the type, conditions, characteristics and circumstances of access and use that the USERS make of the website and of the information and services.
5. Under no circumstances, including negligence, loss of business, loss of use, loss of profits, loss of data, indirect, incidental, special or consequential damages resulting from access to or use of the website services, or otherwise arising within the scope.
