

On dilute quantum gases, by J.P. Solovej

Wednesday 24th Jan 2024, 11:30 am - 12:30 am. Aula: Salón de Grados
Facultad de Ciencia y Tecnología, UPV/EHU Leioa

- 1989: *PhD from Princeton University.*
- 1991-1995: *Ass. Prof., Princeton.*
- From 1995: *Prof. (Aarhus & Copenhagen).*
- 2013-2018: *ERC Advanced grant.*
- **2021: Henri Poincaré prize from the IAMP**

- Head of a research center for the Mathematics of Quantum Theory (QMATH)
- President of the European Mathematical Society.
- Research: Structure and stability of quantum matter from atoms to condensed matter systems.
